
Slideshow Presentation : FIELDS OF APPLICATION FOR ROBOTICS

TASK : Pairwork - Make a 5-minute-presentation of one of the following fields of application for robotics. Use a slideshow (software such as Powerpoint, Canva, etc.). You may write keywords on the slide but not sentences. Do not read ! You are not allowed to read notes from a paper/smartphone

- 1 Space Robotics
- 2 Exploration, Underwater Robotics
- 3 Electric Mobility Logistics, Production and Consumer (LPC)
- 4 Search and Rescue (SAR) & Security Robotics
- 5 Assistance- and Rehabilitation Systems
- 6 Agricultural Robotics
- 7 Military Robots
- 8 Domestic or Household Robots
- 9 Service Robots
- 10 Medical Robots
- 11 Biorobots
- 12 Entertainment Robots
- 13 Hobby and Competition Robots
- 14 Industrial Robots
- 15 Artificial Intelligence
- 16 Nanorobots
