United Kingdom		Realm
Uganda	1962	Republic
Vanuatu	1980	Republic
Zambia	1964	Republic

The largest member of the Commonwealth is Canada, at nearly 10 million square kilometres.

The most populous Commonwealth country is India, with nearly 1.4 billion people.

The smallest member is Nauru, with only 13,000 inhabitants.

The Commonwealth also includes the world's driest and most sparsely populated country: Namibia.
